7) School ethos

St Mary's Calne recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

• Our Community:

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND and LGBT+ children. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Recognise that boarders cannot escape their bullies for longer periods of time than day pupils.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

8) Responding to bullying

(Please also refer to Appendix A – Checklist for managing a bullying incident at St Mary's Calne)

 - If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.

- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The Designated Safeguarding Lead (DSL) or another member of the Senior Leadership Team or Safeguarding Team will interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

 - Requesting the deletion of locally held content and content posted online if they contravene school behavioural policies.

 - Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the Head.
 - Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.

Checklist for Managing a Bullying Incident at St Mary's Calne

	Actions to take	✓
1.	Young person reports that they are being bullied or an incident has been observed.	
2.	Hear what the young person has to say about what has happened.	
3.	Hear what any other young people directly involved in the incident have to say about what has happened.	
4.	Ensure a senior member of staff is made aware.	
5.	Record via CPOMS and school policy	
6.	If there is evidence or an admission of bullying, ensure you follow your Anti-Bullying Policy and Behaviour Policy. If you are using a restorative approach, provide opportunity for young person to reflect and consider how they might make amends.	
7.	Consider whether the impact of any bullying is severe enough to warrant it being a safeguarding issue. If appropriate, refer to the Designated Safeguarding Lead.	
8.	If no bullying has taken place, or there is insufficient evidence, consider what further action is needed to reassure and meet the needs of those concerned.	
9.	Inform the target of the outcomes and actions taken. Keep them informed throughout. Provide on-going support.	
10.	Inform the young person responsible for harm of the outcomes and actions taken. Keep them informed throughout. Provide on-going support.	
11.	Contact the parent/carers of the target of the bullying. Inform them of the incident and offer appropriate support. Keep them informed throughout.	
12.	Contact the parent/carers of the young person responsible for the bullying. Inform them of the incident and offer appropriate support. Keep them informed throughout.	
13.	Where a criminal offence has been committed, consider reporting the incident to the police or inform parents of the target that they may wish to do so.	
14.	Consider what additional input is required to prevent recurrence. For example: Proactive work to address prejudice or promote diversity, work with the class or year group, an assembly, individual or group work with the young people concerned, referral to outside agencies, etc. If concerns are serious consider whether referral for further child and family support might be appropriate.	
15.	Monitor the situation and review with all parties to ensure the bullying has stopped.	
16.	Review how successful your approach has been. What additional preventative measures need to be in place?	

Guidelines for interview with all parties:

- Consider using a restorative approach to respond to the incident if staff have received appropriate training.
- Allocate sufficient time to listen
- Take the incident seriously and reassure them
- Take steps to make sure they feel safe (particularly target and young people who may have observed the incident)
- Offer confidentiality (with usual Child Protection exceptions)

- Listen to the details of what happened and record
- Consult the target about how the incident should be dealt with as far as is appropriate. N.B. informed choice is an essential part of any restorative input involving the young person responsible.
- Consult the young person responsible about how they might make amends. N.B. Informed choice is an essential part of any restorative work.
- Inform and consult parents/carers of both parties about management of the incident, including offer of appropriate support. Ensure that you label the behaviour not the child.
- Keep everyone informed of the outcomes of action and discussions

Importance of monitoring and review:

- How effective was the response?
- Has the bullying stopped?
- Does the target feel safe
- Did the behaviour of the child doing the bullying change?
- What was learnt?
- Are current systems for responding effective?
- Do additional preventative measures need to be in place?
